

2024 Product Catalog

Introduction

THP Inc is an industry-leading Supplier of Enterprise Garage Door Products, supplying industry leaders with the products they need. We started in the midwest with over 10 years of experience in the garage door service industry. We've branched out, now providing quality products with the industry's best pricing. Our corporate headquarters and distribution center are based in Los Angeles, California. Learn all about THP and what we offer by giving us a call. We'll be happy to assist you with any information regarding our products. All enterprise orders are managed by our team of professionals ensuring outstanding personal service from order to delivery.

In Stock Orders

Our springs are rated for at least 10,000 cycles and we have many options in stock and ready for pickup in our North Hollywood location and/or to ship directly to your location.

- Residential and Commercial Springs, Hardware, and Accessories Available
- Ready-Ship inventory for 2" pre-cuts, rollers, drums, cones, and hardware kits..
- 24-hour shipping turnaround of "in-stock" items.
- We ship all over the US and Canada
- Can't find the right spring size? We will source it for you
- Need samples? We will send overnight and will waive off the fee once you decide to move forward.
- Our product catalog includes 90% of the parts you install on a regular basis, highest quality-- most competitive price.
- Need a special part that is "hard to find"? We will source it and ship it.
- Minimum Order: 500 lbs

ENTERPRISE PROGRAM

For those with larger purchasing needs. We handle everything from order to delivery. We guarantee the best lead times in the industry. If we don't deliver on time, we pay you during the wait. No kidding!

Platinum

Enterprise Levels

Gold

Silver

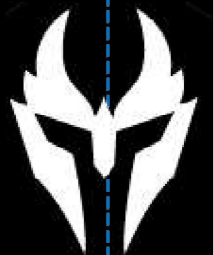

We take care of everything from order to delivery. You have a dedicated project manager that monitors your order and handles inspections, reports, customs, and shipping logistics so you are free to stay focused on your core business.
